

Department of North Carolina  
Marine Corps League  
Technical School  
Scholarship Program

PURPOSE-MISSION-ELIGIBILITY

**PURPOSE:** The purpose of the Department of NC MCL Scholarship Program is to provide eligible Marines, FMF Corpsmen, FMF Chaplains and their immediate dependents an opportunity to advance their academic education in a technical training program. We have an opportunity to assist and encourage many qualified individuals where the traditional four-year college option is not possible. There are many Technical Community Colleges throughout North Carolina that offer quality technical education programs. Additionally, in these areas, skilled workers are in demand. Our organization is here to aid our Marine brothers and sisters and their families.
